South Lakeland Day Tour

Tour Overview (30 miles - with a shorter option of 20 miles also provided):

This day tour navigates around the beautiful fells of the South Lakes passing ample traditional pubs and cafes to enjoy the local hospitality and good food. The route captures the breathtaking scenery of the central Lake District Mountain ranges and covers 30 miles, with plenty of options to lengthen or shorten it. The route takes you via the Fell Foot National Trust centre on the southern shores of Lake Windermere and provides you with further stunning scenery. The start and finish point is in the village of Inges near Windermere but can be changed to suit you based on where you are travelling from. We will recommend share the best choice of lunch options, attractions you could visit and other activities you might like to engage in on route.
