They provide the options of relaxing and exploring the local history and culture along with enjoying the spectacular cycling routes.

The average daily distance on our standard routes is 27 miles, with options of reducing or increasing the mileage on most days. The route is carefully designed to follow the quieter country lanes along scenic valleys and over breathtaking fells and mountain passes. Guests will receive detailed route maps pre-loaded on a cycling navigation computer. There will be a detailed route briefing, along with luggage transfer and mechanical back-up for the duration of the tour.

With our comfortable electric bikes, this tour is suitable for all levels of fitness provided you are a reasonably confident rider. With the relaxed pace, there is ample time to visit attractions, take a walk on the fells and have leisurely lunch breaks.

The accommodation is in comfortable hotels and the tour starts and finishes at a hotel in the South Lakes, near Windermere.

Day 1: Settle in for the first night in a comfortable hotel near Windermere with a delicious supper, overlooking gardens and picturesque Lakeland fells.

Day 2: Cycle through South Lakeland, crossing Lake Windermere on the cable ferry, along the lake shore to the National Trust property Wray Castle and to the pretty market village of Hawkshead. A small detour will also provide the option of passing Hill Top, the house where Beatrix Potter was inspired when writing the Tales of Peter Rabbit. The afternoon route takes you to the historic slate mining village of Coniston for a 2-night stay in our handpicked hotel. There is the option of an afternoon cycle around the peaceful shores of Coniston Water.

Day 3: A circular day's ride through some of the most tranquil and scenic sections of the tour. Starting the day with a leisurely ride along the old trading route south of Coniston, you then cycle along the beautiful Duddon Valley. The route then goes over the stunning Wrynose Pass, descends into the spectacular Langdale Valleys and back to Coniston along quiet country lanes and gravel cycle tracks.

Day 4: Time to move on to the northern region of the Lake District. Today's route is a blend of beautiful countryside, cycling along the shores of Rydal Water and Grasmere. There is the

option of spending time in some of the National Park's famous villages such as Ambleside and Grasmere. After passing Thirlmere reservoir, leaving Helvellyn mountain range to your east, you arrive at a lovely hotel, near the market town of Keswick, for a 2-night stay.

Day 5: An optional loop ride with a choice of lengths, taking in some of the most breath-taking scenery in the Lake District. Each recommended route will take you along the beautiful shores of Crummock Water and Buttermere Lake, as well as the spectacular scenery over Newlands Pass with a well-deserved rest at Moss Force Waterfall.

Day 6: Today you leave Keswick for your next hotel on the shore of Ullswater. You first experience the amazing beauty of the least visited and spectacular landscape of the North Lakes. The route takes you around Skiddaw and Blencathra mountain range, taking in incredible scenery along lovely quiet fell lanes (cycling paradise), then through the craggy outcrops on Matterdale Common. Passing the Aira Force waterfall the route drops down to Ullswater, which is one of the most beautiful spots in the Lake District.

Day 7: Leaving Ullswater, you ride over the famous Kirkstone Pass, where the views of Lake Windermere and beyond are spectacular, followed by a descent to the idyllic village of Troutbeck.
