

# Wrynose Pass & Coniston Loop Day Tour

## Tour Overview (28 miles):

If you are looking for quiet fell lanes and cycle tracks with spectacular Lake District scenery, it will be difficult to find a more idyllic days cycle than this. Do liaise with Phil when booking to agree on the best starting point, which will depend on the direction you are coming from. If approaching from the South Lakes, we usually start near Broughton-in-Furness and cycle along the beautiful and tranquil Dudden Valley. From there you cross Wrynose Pass and decent to Little Langdale with the option of refreshments at the Three Shires Inn. The route then takes you south through lovely woodland past the old slate miles and on to the village and shores of Coniston Lake. Coniston offers a range of lunch options as well as boat trips and paddle boats rentals. From here, you can cycle along the lake shore and then over the fells back towards the start point, with the option of having a relaxing drink in a traditional pub or cafe.

This is a self-guided tour. Even though this route has quite a steep ascent and decent over Wrynose Pass, with our comfortable electric bikes, it is suitable for all levels of fitness provided you are a reasonably confident rider.

Price: £65 per person (including delivery / collection charges)
