Central Lake District Day Tour

Tour Overview (choice of a 22 mile or 32 mile cycle route):

This day tour takes you across Lake Windermere on the cable ferry and along the lake shore cycle track, to the impressive Wray Castle with its panoramic views of the central Lake District mountain ranges. The route then takes you past the picturesque Tarn Howe and on to Coniston Village with its magnificent backdrop of the Old Man of Coniston mountain range. Coniston has a range of lunch options, with traditional pubs and tearooms, as well as the Bluebird Café on the lake shore. The afternoon provides you with the choice of routes along the lake shore, with the shorter one taking you through the village of Hawkshead with its cobbled streets, tea rooms and connections to William Wordsworth & Beatrix Potter. The alternative route takes you along the full length of the breathtaking shores of Coniston Water and through the tranquil southern villages of the Lake District National Park, returning you to Lake Windermere and the ferry back.

Price: £65 per person
